

Dear parents,

Your child's daycare center/school is taking part in the "**DRAGO Movement Pass**" project.

The **DRAGO Movement Pass** helps your child learn more about road safety, integrate more physical activity into everyday life, and get to know local sports clubs.

Your child will receive the movement pass from the daycare center/school. During the campaign period from **April 20 to May 29, 2026**, your child can collect signatures and stamps through **physical activity**.

The idea behind this campaign is to remind children how important daily movement is. Even on the way to daycare/school, your child is active and starts the day alert and awake, whether on foot, by bike, balance bike, scooter, or skateboard. You are welcome to accompany your child and use the project period as active and road safety training. For daycare children, this goes without saying.

Participating in road traffic is a developmental process in which children gradually learn according to their abilities and age. For walking or otherwise active trips to and from daycare/school, children receive a daily signature from their parents or guardians in the movement pass. Children who arrive by bus also receive a signature for an active trip to the bus stop. Children who are brought by car receive signatures for movement activities carried out by the daycare center/school that day.

Maximum of one signature per day!

The **DRAGO Movement Pass** also includes participation in other activities for which your child can collect one stamp each, for example:

- Road safety campaigns in the daycare center/school
- The DRAGO dance at daycare/school or at home
- Obtaining a swimming badge in the 3rd or 4th quarter of 2025 or during 2026
- Obtaining the mini sports badge (daycare) or the German Sports Badge (school) in the 3rd or 4th quarter of 2025 or during 2026
- Membership in a sports club
- A trial session at a sports club

At the end of the project period (**April 20 – May 29**), every participating child will receive a certificate from their educator/teacher after handing in the pass.

Please also use the four QR codes on your child's movement pass.

There you will find:

- The movement pass and information brochure in several languages

- The DRAGO dance
- DRAGO's road safety video
- DRAGO's nutrition tips

Sports club offers in the County of Graftschaft Bentheim

On the Movement Pass website, you can find out about trial offers that sports clubs in the County of Graftschaft Bentheim are providing. Your child can attend these free of charge while collecting a stamp at the same time:

www.bewegungspass-nds.de

If your child enjoys the trial session,

the next step for your child could be...

Membership in a sports club

After taking part free of charge in the **DRAGO Movement Pass** offers, your child can become a regular member of a sports club of their choice.

If needed, membership fees for a sports club may be covered through the **Education and Participation Package**, provided your child meets the necessary requirements. Please contact the responsible office in your area (**district administration office**) for this.

Insurance coverage

Your child is insured while participating in Movement Pass activities:

Your child is covered by statutory accident insurance on the direct route to daycare/school. More information can be found at:

www.dguv.de/de/versicherung/versicherte_personen

under: **“Children, pupils and students”**

This insurance coverage also applies to activities carried out under the responsibility of the daycare center/school.

For the sports club offers available to your child during the campaign period, the **Lower Saxony State Sports Association** has taken out special insurance for non-members.

Activity is rewarded

Best daycare center / best primary school class and three great main prizes:

In addition to the certificate, the best daycare center and the best class will receive the **popular DRAGO challenge trophy**.

Every child who collects **three stamps and 20 signatures** in their movement pass during the campaign period will be entered into the DRAGO prize draw and has the

chance to win one of **three great main prizes: a bicycle, sports shoes, or inline skates.**

DRAGO hopes your child has plenty of energy and fun whilst using the DRAGO Movement Pass!!
